Meeting Statement
12 June 2019

The first meeting of the Australian Sports Wagering Scheme (ASWS) Advisory Group was held via teleconference on 12 June 2019. The primary purpose of this meeting was to facilitate introductions, provide an overview of the role of the ASWS Advisory Group, provide an update of the Sport Integrity Taskforce's proposed approach to the development of the Australian Sports Wagering Scheme and open the floor to general discussion.

Members were provided with background information to assist them in their role of providing strategic advice and guidance to the Sports Integrity Taskforce on the development of the Australian Sports Wagering Scheme to be administered by Sport Integrity Australia in conjunction with key stakeholders.

Next Meeting/Next Steps

The Taskforce and Chair led a discussion regarding process and next steps, including links with other Advisory Groups and Working Groups established by the Sport Integrity Taskforce as matters develop.

Members noted that the broader stakeholder cohort will continue to be consulted regarding the development of Australian Sports Wagering Scheme and potential regulatory function of Sport Integrity Australia and this will occur through face to face meetings and Citizen Space (online consultation portal).

Members noted that the Taskforce is developing a long-term program of meetings across all Advisory and Working Groups.

The next meeting of the Group will be scheduled for mid-late August 2019.
