

Anti-Doping Program Development

Regional Anti-Doping Organizations (RADO's)

*Commonwealth Sports Ministers Meeting
Beijing China - August 2008*

WADA Overview

- Independent international Agency
- Coordinates and monitors the global, harmonized fight against doping in sport
- Equal partnership between the Sport Movement and Governments of the world
- Established in 1999

Governments & The Code

Copenhagen Declaration

- ✓ Political commitment
- ✓ 192

UNESCO International Convention

- ✓ Practical tool
- ✓ UNESCO's most successful treaty
- ✓ 92 Total
- ✓ 26 Commonwealth countries completed
- ✓ 27 Commonwealth countries remain

play true

- All Countries are required to have a NADO
- All NOCs have accepted the World Anti-Doping Code
- In absence of a NADO, the NOC shall be responsible for anti-doping activities

play true

Assistance required

Program Development

- Globally - anti-doping capacity is limited
- Assist countries/regions where there is no anti-doping program
- Ensure all athletes in all countries in all sports are subject to the same anti-doping protocols and processes

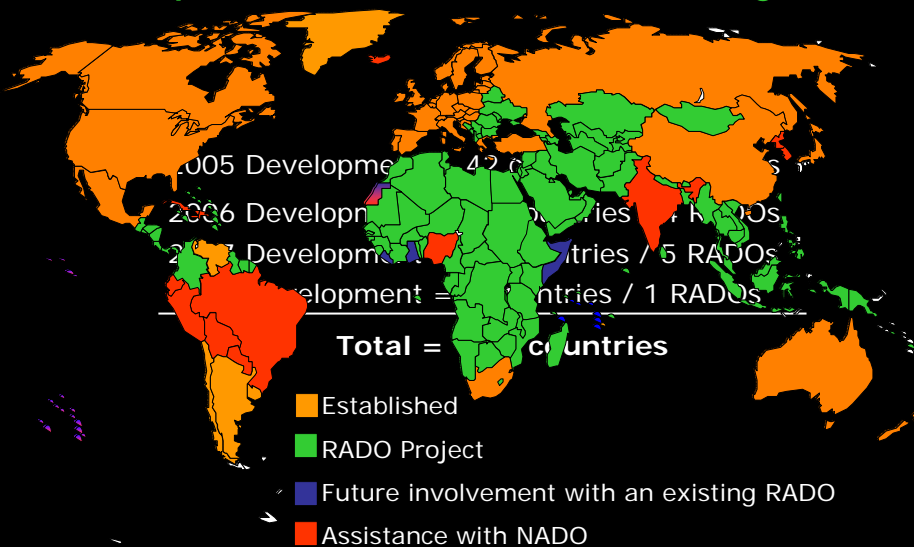

The Pilot - 2004

- Oceania Region
 - 4 Countries involved (Fiji, Samoa, Papua New Guinea, Tonga)
 - RADO Concept Developed
 - How far have we come since the first pilot project...

- Education Sessions for teams participating at the 2007 South Pacific Games

Educational Materials

CONSEQUENCES

BEING SEEN AS A CHEAT
Doping is a major disqualifying feat.

UNEMPLOYMENT
Doping means being stopped from playing.

POOR HEALTH
Doping can kill.

For More Information Contact:
OCEANIA REGIONAL ANTI-DOPING ORGANIZATION
2 P.O. Box 384, Suva, Fiji Islands. Ph: (677) 333 2140
Fax: (677) 333 3882 Email: info@oceania-rado.org

TRAPS

ASTHMA & COLDS
Medications may contain prohibited substances. The use of certain medications to treat asthma is permitted but requires a Therapeutic Use Exemption (TUE).

RECREATION
The majority of recreational drugs can lead to positive test results.

NUTRITIONAL SUPPLEMENTS
The use of supplements can lead to positive test results. These products can contain prohibited substances (Stimulants, Ephedrine), which are not mentioned on the packaging.

Tegla Loroupe

Her Message:
 "I have always participated in competitive sports without doping. All one of the joys available for amateur athletes. Let's make the doping free sport. Peace will always prevail in a doping free environment."

AFRICA ZONE V RADO REGIONAL ANTI-DOPING ORGANIZATION

Africa Zone VI

- 10 Countries
 - Angola
 - Mozambique
 - Namibia
 - Swaziland
 - Zambia
 - Malawi
 - South Africa
 - Zimbabwe
 - Botswana
 - Lesotho
- Majority of countries had little or no anti-doping programs running prior to the establishment of the RADO
- 10 member RADO Board (both Government and NOC involvement from each country)
- 8 Commonwealth Countries

How has the RADO made a difference ?

- The 4 RADO's reach 27 Commonwealth countries
- In the regions programs that are:
 - Educating athletes, coaches and youth
 - Interactive and engaging
 - Better understanding of issues of doping in sport
 - Integrated approach to promote buy-in
 - Programs being established in each country
 - Partners being established for long term sustainability

Future Plans

- 4 RADOs involved in 2008 Youth Commonwealth Games WADA Awareness program – Puna, India
- WADA will continue to support RADO operations with partners assistance
- International/Regional/Local Organizations partnering with RADOs
- Profile WADA / Commonwealth Secretariat support
- Major focus on integrated education programs and development

play true

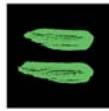

Where do we go from here ?

- ✓ Recommend the Commonwealth Secretariat continue to support the program beyond 2009
- ✓ Request the Commonwealth Sports Ministers endorse such a recommendation

We are seeing a difference – let's make sure it has a long term effect
